Good afternoon, Sarah,

Happy Tuesday! Hope this email finds you well.

Just wanted to give in a quick update -- I checked the location this afternoon & noticed it clean; as shown in the images below. Thank you for that!

Also, any updates in regards to the horse manure that we were focused on not too long ago? I just wanted to see if the officers stopped by the property and if there was any input from them. I just want to make sure this is also in the works; considering the warm weather is approaching and I have a feeling we will be getting phone calls about it!

Thank YOU so much for your patience and work!
Looking forward to hearing from you!
Much Gratitude,
Delilah Shahbazian

I sent it to them. They will check it out on Monday and see if they can collect it. We may have to make arrangements for the cars parked there but we'll see when we get there.

Good afternoon, Sarah,

Happy Saturday! I hope you're doing well.

I wanted to keep you in the loop with this current dumping taking place on half of this block: [10259 Tujunga Canyon Blvd](#). I noticed it on my community drive this afternoon, and was pretty concerned about it. It seems as if the block has more trash debris of mattress, chairs, and house items.

I set a '311' Service Request that is the following: **Service Request # 1-1608190361**. I figured it would be important to share and see IF there is anything you can do in case 311 cannot.

Thank you for your patience and guidance on every issue I have at hand! You're awesome.
Looking forward to hearing from you!

Much Gratitude,
Delilah Shahbazian
